

TG 7.9 (2023)

The TG 7.9 from 2023 is a modern and versatile boat that combines excellent performance with stylish design. It offers a comfortable cruising experience and stability even in demanding conditions. The open cockpit's versatility and practicality make it a perfect choice for both day trips and longer boating adventures.
This particular boat is currently equipped for more demanding use, i.e., professional purposes. However, it has never actually been used for its intended professional use. Possibility for VAT deduction if purchased for professional use.
