

Windy 40 Maestro, 2011/-12

The Windy 40 Maestro combines a stylish, exceptional drivers experience with a truly capable deep-v hull design for sea keeping, performance and economy.

On deck the 40 benefits from a sleek hard top design and extended opening sunroof with social u-shaped cockpit seating. She has wide, side decks with a substantial tow rail and plenty of handrails, making access to the foredeck feel safe and secure.
