

SWAN 40 “ Amelia” (1996) Helsinki

The Swan 40 is a sailboat manufactured in 1996, representing the traditions and high-quality craftsmanship of Nautor's Swan. This 40-foot vessel is elegant and high-performance, designed to provide a sophisticated sailing experience suitable for both competitive racing and cruising. Its stylish appearance and premium materials, combined with top-notch sailing capabilities, make it a popular choice for sailors who value both beauty and performance.

The boat is sold with all equipment and utensils, meaning the boat is ready to go.
