

SWAN 371 (1980)

The Swan 371 is a high-quality sailing yacht manufactured by the Finnish company Nautor in 1980. Designed by the renowned yacht designer Ron Holland, it embodies a classic combination of performance and comfort. The Swan 371 is 11.2 meters long and features spacious interiors and elegant finishing. It is excellently suited for both racing and longer cruising, offering stability and reliability in all conditions.
