

ARCONA 465 CARBON YEAR 2019

A real performing carbon cruiser/racer absolutely in mint condition for sale. The yacht is very quality built with no compromises including the carbon mast and carbon V-shape furling boom. She is very well equipped with lots of extras and ready for cruising and racing. The yacht is a spacious three-cabin version with two heads both with showers. She has been serviced and maintained by professional. One owner since new. VAT paid.
