

Nauticat 385, 2007

One of the finest Nauticats on the market! Comes from the original owner, who has taken care of the boat as well as it could possibly be done. The boat has been sailed only in the Baltic Sea, never been chartered and has spent 8-9 months/year in a heated storage.

If there has been any need to refit or repair, the job has been done by professionals.

Easy sailing with the help of steering propellers, furling main and jib and for example an electric anchor winch.

One could believe, that the boat is much younger as there is very little proof of wearing.

## **Location:**

Turku, Finland

## **Measurements:**

Length: 11,97m

Beam: 3.6m

Draught: 1,9m

Mast height: approx. 16,7m

Displacement: 9,500kg

Ballast: 3.050kg (lead)

## **Motor:**

Yanmar 4JH4/54hp

Year 2007

Engine hours approx. 1350h

Shaft driven

Three blade folding propeller (Maxprop)

## **Tank capacities:**
