

Bavaria 30 Cruiser, 2006

The Bavaria 30 Cruiser is an ideal boat for family sailing. It is also an excellent choice for a first boat and provides a relaxed sailing experience. This boat is well-equipped and has had only two owners since new. The maintenance history is fully documented. Over the years, updates have been made to the equipment; the sails are in superb condition and of high quality North Sails, and the navigation electronics are up to date. The overall condition is immaculate and almost like new.

The boat is stable and feels safe to sail. Maneuvering is effortless when the trims are set correctly. Bavaria truly shines in cruising, offering relaxed and enjoyable sailing.

For its size, the Bavaria 30 Cruiser offers an impressive amount of living comfort. There is ample headroom for an average-height person, and it comfortably accommodates a crew of up to six. There is plenty of storage space on shelves and under the berths. The galley provides all the essentials, and if needed, the large chart table can be used as extra counter space. There are shower facilities both in the WC and on the aft deck.
