

X-Yachts X-41, 2007

The x-41 has won the European ORC 2024 championship and 6 units have finished in the top 8!

This year 2024 our X-41 finish at the first place, in mediterannean IRC championship.

The boat was built in 2007 and launched in 2008. She has had two owners who have done cruises and regattas in the Mediterranean.

It is a versatile boat which is very maneuverable and comfortable for cruising for 6 and very efficient in regattas with a crew of 10-11 people. In regattas it can be used in both Inshore races and Offshore races.

The boat has always been methodically and professionally maintained to keep it in perfect working order.

All spare equipment is packaged and stored in a garage protected from bad weather.

The boat has been extensively refitted and optimized in recent years and the main works were redone in 2022 with sandblasting, sanding, smoothing and regatta antifouling.

The boat is visible in St Maxime until December and then in Port Pin Rolland, where it will be put dry for winter storage.

It is ready to sail since everything necessary is on board and in perfect working order.

The boat is for sale for two major reasons: change of regatta program and decision to invest in a round-the-world boat in 2024.

The boat is performing well in his class and has reached very good results in many regattas in different racing fields.

Measurements:

Length: 12,34m

Beam: 3,64m

Draft: 2,50m

Displacement: 7029kg

Tank Capacities:

Water tank: 150L

Diesel tank: 100L

Engine:

Volvo Penta 40hp

Z-drive

Retractable two-blade propeller

Engine overhauled in 2020

Equipment:

New equipment installed in March 2023

B&G - 20/20 HV display Qty 3 at the base of the mast

B&G - DST810 Depth/Speed/Temp Probe Plastic

B&G - ZEUS 3S 9-inch multifunction display at chart table with C-MAP - 4DMAX+

Zone Wide mapping

B&G - Triton 2 Color multifunction display in cockpit.

Original material.

B&G remote control for autopilot, Remote vision with wireless port

Magnetic compass

Radar deflector

VHF

WIFI miniplex 3 internal AIS repeater and instrumentation.
Radio and internal and external speakers
New autopilot type NAC3 with remote control from B&G
3 65/75Ah service batteries
1 65/75Ah engine battery
LED lights cabins, saloon, chart table, kitchen, bathroom
12V/230V inverter
230V/12V charger + adapters
Master volt BTMIII

Sails & rigging:

Sails (approximate surface area: Mainsail 55m², Genoa 44m², SPI 150M²)
1 lightweight Carbon/Kevlar battened genoa - delivered in 2023 - Quantum - New
1 medium Carbon/Kevlar latte genoa - 2020 - Quantum - Good condition
1 heavy Carbon/Kevlar battened genoa - delivered in 2023 - Quantum - New
1 GV Carbon/Taffeta - 2020 - Quantum - very good condition
1 heavy symmetrical spinnaker 1.5 OZ - 2015 - Quantum - very good condition
1 medium symmetrical spinnaker superkote 75 - 2021 - Quantum - very good condition
1 light symmetrical spinnaker 0.5OZ - 2015 - Quantum - very good condition
1 conveyor mainsail - contender super cruise 9.4 - Quantum 2021 - New, never used
1 furling genoa - 3DI North 2018
1 medium asymmetric spinnaker - 2015
2 genoas, 1 light, 1 medium quantum for spare regatta 2015 good condition
1 GV Carbon/Kevlar for spare regatta 2015 good condition
rigging: Navtec Rod.800 series
Standing rigging
Navtec Rod, 800 series (stay, shrouds, diagonals and backstays) complete refit 2020
Harken "Tuff Luff" hollow prop for regatta (double throat)
