

X-Yachts X-46 2005

X-46 by X-Yachts is a high-performance sailing yacht that combines exceptional sailing characteristics, premium materials, and elegant Scandinavian design. Its lightweight yet strong hull, deep keel, and well-equipped sail plan ensure a balanced and fast sailing experience for both racers and cruisers.

The spacious and beautifully finished interior provides a comfortable setting for extended voyages. The X-46 is the perfect choice for sailors who value performance and quality.
