

Beneteau First 47.7 (2002)

The Beneteau First 47.7 from 2002 is a versatile and high-performance sailing yacht that combines sporty design with comfort. This vessel is designed to provide an excellent sailing experience, whether in competitions or on relaxing archipelago adventures. Its high-quality construction, spacious interior, and innovative solutions make it an attractive choice for both active sailors and those who appreciate long-distance cruising.
