

Grand Soleil 40, 2001

Grand Soleil 40 is a beautifully classic and high-quality sailing yacht. It is an ideal choice for even the most demanding sailor who seeks both performance and comfort. This boat is perfect for family cruising but can also be transformed into a great racing yacht if desired. This particular vessel is in excellent condition, well-maintained, and carefully looked after, sold by the first owner. A condition survey was conducted in the spring of 2025.

Grand Soleil 40 offers a balanced and agile sailing experience. This yacht is equipped with a taller rig and a deep keel (2.15m), ensuring excellent performance. Maneuvering in harbors is made easier by the retractable MaxPower bow thruster.

The interior is cozy, inviting, and spacious. The yacht features two separate cabins—one forward and one aft—each with its own private head. The saloon includes a large, well-equipped galley with ample counter space. Opposite the galley, a C-shaped sofa area provides an ideal setting for entertaining even a larger group. The navigation station is thoughtfully designed, offering plenty of space for large paper charts.

Price: 99.000€, VAT paid

Location: Turku, Finland

Measurements:
