Degerö 35S – Finnish quality and seaworthy comfort. Hull number 15

Degerö 35S is a Finnish-built sailing yacht designed by Håkan Södergren, well-known for its solid construction, excellent stability, and comfortable cruising performance. Equipped with a masthead sloop rig and fin keel, it delivers dependable handling for both coastal passages and offshore adventures. Below deck, it features two cozy cabins and generous water and fuel capacity—making it ideal for extended journeys. Degerö 35S combines a gentle ride with dependable seaworthiness, making it a favorite for those who value comfort and safety at sea.

All the equipment here are working and will be verified at the time of handover to the new owner.
