

H-35, 1981

H-35 is the “big sister” of the H-boat, designed by the legendary boat designer Hans Groop. H-35 was designed with family sailing in mind, but racing performance was also considered. This particular boat has been exceptionally well maintained and is in excellent condition for its age. It has been recently painted, fitted with new sails, and completely refurbished inside.

The sailing characteristics are excellent, and thanks to the long underwater lateral surface, the boat is stable and easy to handle. It points well into the wind and can handle rougher conditions with ease. The boat comes with a comprehensive sail inventory, including a spinnaker and a gennaker.

The interior is cozy and comfortably accommodates a crew of four adults. The galley is fully equipped for enjoyable onboard cooking. The cockpit is fitted with a canopy, allowing it to be enjoyed even in poor weather. There is ample storage space beneath the cockpit benches.

This classic beauty is ready for new sea adventures — with no deferred maintenance to worry about!

Location: Airisto, Finland

Measurements:

Hull length: 10,50m

Beam: 2,60m

Draught: 1,50m

Displacement: 3500kg

Ballast: 1520kg

Sail area: approximately 36m²

Air draft: 13.50m

Engine:

Solé Mini 17, fresh water cooled, ym. 2002, 1710 running hours

2-bladed folding propeller Flex-O-Fold

Tank capacities:

Water 50L

Diesel 70L

Holding tank 50L

Equipment:

Autopilot Raymarine ST2000 + S100 remote control
