

Hanse 342, 2008

Hanse 342 is a modern and spacious family cruiser. It is easy to handle and comfortable to sail, yet its performance is impressive. This boat is excellent for both weekend trips and longer journeys. This particular, second-owner yacht is in great condition and has received regular equipment updates.

The boat is easy to manage solo, with a small crew, or even with children on board. The hull is designed to be fast and stable, performing well in both light and strong winds. The large cockpit provides plenty of space for sailing and enjoying life in port. Thanks to the cockpit tent, even bad weather won't prevent outdoor relaxation.

Inside, the Hanse is cozy, airy, and bright. It has three double cabins, and the salon sofa can also be used as a berth. The galley is functional and well-equipped, and the salon table comfortably accommodates larger groups for dining.
