

Jeanneau Sun Odyssey 39i Performance, 2008

The Sun Odyssey 39i Performance is a modern and spacious sailing yacht designed with a focus on good sailing performance. The Performance package includes a deeper keel, taller mast, and increased sail area. This particular boat has been carefully maintained and is exceptionally well-equipped for extended offshore cruising.

Sun Odyssey combines sailing pleasure with comfort, making it ideal also for family crews. A newly installed bow thruster makes harbor maneuvers effortless. The helm is light and responsive, and the comprehensive sail inventory includes a furling gennaker for downwind sailing.

The bright and roomy interior ensures comfortable living on board. Three private cabins provide ample accommodation for six adults, with additional berths available on the convertible saloon sofa for two more. The spacious saloon is perfect for relaxing evenings, while the fully equipped galley makes cooking for a larger crew a pleasure.

This well-maintained yacht, offering modern comforts and spirited sailing performance, is fully ready for new adventures!
