

XO 270 OB (2018)

The XO 270 OB is a high-performance, all-weather boat designed for adventure and versatility. Built with a durable aluminum hull, it offers excellent handling and stability even in rough waters. Powered by twin Honda 250 hp outboard engines, it delivers impressive speed and efficiency. Its spacious and functional layout ensures comfort for both day trips and longer excursions. Perfect for those who seek a combination of style, durability, and top-tier performance on the water.
