

Targa 27.2 (VP D6-380/DPI, Aft Door)

The Targa 27.2 combines seaworthy performance with Scandinavian comfort and style. Powered by a Volvo Penta D6-380/DPI and equipped with a bow thruster, it offers smooth and reliable handling. The spacious wheelhouse features Alcantara upholstery, teak finishes, and a well-equipped galley, while the diesel heater, hot water system, and electric toilet ensure onboard comfort. With a full Raymarine navigation suite, teak decks, and a practical aft deck with shower, the Targa 27.2 is the perfect all-weather cruiser for both leisure and adventure – and is in like-new condition.
