

## Beneteau First 35, 2012

First 35 offers an outstanding sailing experience without compromising on comfort below deck. Designed especially for crews who enjoy sporty sailing, it's equally at home on cruising passages as it is on the racecourse. This particular boat has achieved excellent results in recent years in shorthanded racing (including 3rd place in the 2025 ORC DH European Championships) and has been optimized for doublehanded competition. The current owner has continuously upgraded the yacht, which now awaits new adventures, stored in a heated hall. The sail inventory is extensive and up to date: in addition to the mainsail and three jibs, there is a Code 0 and two asymmetric spinnakers. The yacht is also equipped with a relatively new B&G instrument system and a recently replaced running rigging. In terms of handling, First 35 strikes an ideal balance: more forgiving than many purebred racers, yet much livelier than a typical family cruiser. The interior is bright, practical, and modern. Both the forward and aft cabins comfortably accommodate two adults, with space for two additional berths in the saloon if needed. The navigation station and galley are generously sized and well laid out.

**Location:** Helsinki, Finland

**Measurements:**

Hull length: 10,85m  
Beam: 3,64m  
Draught: 2,20m  
Displacement: 5500kg  
Ballast: 1670kg  
Mast height: 17,26m  
Sail area: 72,50m<sup>2</sup>

**Engine:**

Yanmar 3YM30SD, ym. 2012

**Tank capacities:**

Water 200L  
Diesel 75L  
Holding tank 80L

**Equipment:**

Chartplotter B&G Zeus 3S 9" (fully renewed B&G-system 2021-2023)  
Autopilot B&G H9000
