

XO 240 RS OPEN – 2014

XO 240 RS - this high-performance sportboat combines speed, comfort, and versatility for day cruising, watersports, or weekend adventures.

Built by the Finnish company XO Boats, it features a tough, low-maintenance aluminum hull with a polyester upper shell, making it exceptionally durable in rough weather.

The boat is equipped with a powerful Evinrude 300 E-TEC outboard engine, automatic trim tabs, and a weatherproof cabin, ensuring both performance and comfort. It comfortably accommodates up to 8 people. Additional features include a Raymarine chartplotter, cockpit tent, and trailer. Professionally maintained and in excellent condition.
