

## Finngulf 37 HS, 1992

The Finngulf 37 HS is a fast, well-balanced performance cruiser that blends racing pedigree with comfortable cruising. With her high-quality Scandinavian build, responsive handling and elegant interior, she's equally at home on the starting line or on longer coastal passages. A true sailor's yacht for those who value speed, safety, and timeless design.

Engine serviced according to Volvo's maintenance program.

Bow thruster battery, hatches, mattresses, sprayhood, water pump and many more parts of equipment recently changed to new ones.

Only two owners!

Ready to sail!
