

Sea Ray 355 Sundancer, 2016

A modern sport cruiser designed for confident handling and practical use. Powered by MerCruiser engines and equipped with joystick control, the boat is easy to maneuver in tight spaces and during docking. The interior offers generous headroom, well-planned storage solutions and a layout that works both underway and at anchor. The hardtop with a large opening sunroof brings in natural light and gives the interior a more open, airy feel like an open boat. A well-equipped cruiser for boaters who value functional design — and a boat that also makes a strong visual impression on the water.

Measurements:

Length 11,2 m
Beam 3,48 m
Draught 1,09 m
Dry weight 6.900 Kg
Fuel 760 L
Water 150 L
Septic tank 109 L
