

Nord Star 33+ (2021)

Now rarely available

Originally delivered as a factory demo boat, this exceptional example has since had only one private owner. The vessel has been meticulously maintained throughout its life, with annual winter servicing carried out at the Nord Star factory and engine maintenance performed exclusively by authorized Mercury service.

This Nord Star 33+ represents a unique opportunity to acquire a highly specified, carefully maintained, and truly turn-key all-season cruiser.
