

Sealine 47 with Yacht Controller (2011)

The Sealine 47 is a well-balanced luxury cruiser that combines elegant design with impressive performance. Equipped with twin Volvo Penta IPS 600 engines and pod drives, it offers smooth handling, excellent fuel efficiency, and effortless maneuverability thanks to joystick control. The IPS system also maximizes onboard space, providing a spacious and comfortable layout both above and below deck. With its refined interior, generous cabins, and strong seaworthiness, the Sealine 47 is ideal for both relaxed cruising and longer voyages in style.
