

ARCHAMBAULT A40 RC (2009)

The Archambault A40 RC is a fast and well-equipped performance cruiser-racer combining competitive sailing capability with comfortable offshore cruising. Professionally maintained and stored in a heated indoor facility, the yacht features advanced Nexus/Garmin navigation systems, quality racing hardware, and an extensive sail inventory including carbon sails and Code 0. Spacious three-cabin accommodation and practical cruising equipment make her ideal for both racing and long-distance sailing.

Location:

Helsinki, Finland

Measurements:

Length: 11.98m

Beam: 3.90m

Draught: 2.53m

Weight: approx. 7200kg

Fuel tank: 90L

Fresh water tank: 200L

Septic tank (holding tank): 50L

Hull:

White

Engine:

NANNI Diesel 40hp

Year: 2009

Navigation & Electronics

Nexus / Garmin System

- Nexus NX instrument system (now part of the Garmin family)
- NX Server 200 kHz central unit
- Garmin autopilot and Garmin instruments
- NX2 MULTI XL Maxi mast displays (2 data fields per display, freely configurable)
- NX Pilot display at mast (analog software, shifts and navigation pointer)
- 2 x Multicontrol units inside (4 programmable pages)
- Garmin monitor interface box

Sensors & Instruments

- Racing Carbon wind sensor
- Nexus depth sounder + Garmin depth sounder
- Nexus Racing Digital Gyro compass
- Nexus NX DGPS
- 2 independent depth transducers with separate frequencies

GPS & Plotters

- Geonav GPS with large TV screen repeater display
- GPS/NAV data visible on multifunction displays
- Garmin GPS plotter as a separate independent system
- AIS connections ready for Zeus or central plotter

VHF & Communication

- Nexus VHF with:
 - coordinate display
 - distress alarm
 - external speaker
 - dual antennas
- Handheld VHF
- Integrated Radio / DVD / CD / TV system

PC & Tactical Navigation

- PC connection for tactical and navigation use
- Compatible with tactical sailing software
- Excellent support for navigation and race tactics

Additional Features

- Instrument lighting integrated with navigation lights
- Independent Silva Racing Compasses both inside and outside

Deck Hardware & Systems

- 6 x Lewmar Racing winches
- 16 x Ronstan / Harken rope clutches (medium size)
- Ronstan mast blocks
- Ball-bearing genoa tracks with quick adjustment
- Large mainsheet traveler
- German mainsheet system
- In hauler system
- Telescopic vang
- Hydraulic backstay with manual pump
- Rope clutches on both sides at companionway
- Tackline clutch
- Deck-mounted control systems with locking arrangements

Rigging

- Focomat Racing aluminum mast
- Focomat Racing boom
- Reefing and outhaul controls led to deck
- Mechanical spring vang with tackle
- Dyneema halyards
- Double mainsail halyard
- Adjustable spinnaker pole track and car

- 2 x carbon fiber spinnaker poles of different lengths
- Dyform standing rigging
- Synthetic Spectra backstay
- Mast track for batten cars
- Lazy jack system
- Quick-release brass forestay fittings

Designed for both short-handed and single-handed sailing.

Sails

Elvström Sails

- 1 mainsail
- 2 jibs
- Carbon fiber + taffeta construction
- Very lightly used and in excellent condition

Code 0

- Elvström carbon laminate
- Optimized for:
 - light upwind angles around 65°
 - heavy air reaching at 110–120°

UK Sailmakers

- Kevlar / taffeta:
 - mainsail
 - genoas

Spinnakers & Asymmetric Sails

- North Sails:
 - 1.5
 - S2
 - S4
 - asymmetric sails
- Additional sails available in storage

Storm Sails

- Storm jib
- Storm mainsail

For cruising use, mainly sailed with asymmetric spinnakers and Code 0 without spinnaker pole.

Interior & Comfort

Layout

- Saloon
- Forward cabin with door
- 2 aft cabins with doors
- 3 spacious double berths

Galley

- 3-burner stove with oven

- 2 gas bottles
- Refrigerator
- Extended pantry/storage system
- Additional galley storage cabinets

Comfort Features

- Pressurized water system
- Hot water system ready for connection
- Interior halogen lighting
- Webasto Airtop central heating
- Shower/WC with holding tank

Navigation & Living Area

- Dedicated navigation table with seating
- Large dining table with two folding leaves (8 persons)
- TV / DVD / Radio entertainment system

Electrical System

- 2 x 100 Ah service batteries
- 100 Ah engine start battery
- Shore power connection
- 2 independent shore power chargers
- Separate backup battery system for external electronics/autopilot

Safety Equipment

- Electric bilge pump
- Manual bilge pumps inside and outside
- Mast light + backup lights
- Safety harnesses with double hooks
- 2 life buoys
- Rescue ladder
- 2 throwing lines
- 3 fire extinguishers
- Fire blanket
- Gas alarm
- Offshore flare pack
- Searchlight
- Fog horn

Engine & Technical

- Nanni Diesel engine
- 4-cylinder
- 40 hp
- Freshwater cooling with heat exchanger
- Flexofold folding propeller
- Approx. top speed: 9 knots

Additional Equipment

- Short bowsprit for A-sails

- 2 anchors with lines
- Stainless steel anchor
- 6 fenders
- 6 mooring lines
- Emergency rudder
- Boom cover
- Spare parts:
 - engine
 - rigging
 - deck hardware
 - filters
 - belts
- Specialized tools
- User manuals and documentation
- Liferaft available optionally
- Foil for forestay available optionally

Condition & History

- Professionally maintained and serviced
- Stored for several years in a heated indoor facility
- Out of the water since 2024
- New antifouling and hull polish completed in 2025
- Never grounded or involved in collisions

Remarks

- Requires new Jib 3/4 sail
