

Salona 380 year 2016

A sporty and elegant Salona 380 year 2016 for sale. Designed by Maurizio Cossutti, the Salona 380 is known for combining true sailing performance with excellent cruising comfort and solid offshore capability.

The yacht is exceptionally safe thanks to the strong galvanized steel frame construction integrated into the hull, providing impressive stiffness and durability. She is extremely well equipped (the best available in the market) and comes with sails in excellent condition both for competitive sailing and comfortable cruising.

Bright and modern interior, spacious cockpit and twin-wheel layout make the yacht easy and enjoyable to handle also with short-handed crew. A rare opportunity to acquire a very well-kept and performance-oriented Salona 380 ready for the coming season. One owner since new and always stored inside a warm storage.
