

Beneteau MonteCarlo Open year 2008

Elegantly designed by Pierangelo Andreani, the Beneteau Monte Carlo 27 combines a sleek, sporty silhouette with a surprisingly spacious and comfortable interior — making every day on the water feel like a true luxury getaway.

Step aboard and discover a world of comfort. The well-appointed cabin features a generous double berth, a fully equipped galley with electric refrigerator, and a private bathroom — everything you need for a relaxed overnight stay in the archipelago. Topside, a large foredeck sunbathing area and a spacious cockpit invite lazy afternoons with family and friends, while the sporty lines promise excitement whenever you open the throttle.
