

FINNGULF 33 YEAR 2004

The Finngulf 33 is a well-built Scandinavian performance cruiser, known for her solid construction, elegant lines, and excellent sailing characteristics. She offers a balanced hull, responsive handling, and an efficient fractional rig, making her ideal for both short-handed sailing and comfortable cruising. The cockpit is secure and practical, while the deck layout ensures safe movement underway. Below deck, the warm teak interior provides comfortable accommodation with forward cabin, aft berth, and a functional saloon, galley, and navigation station. She has been stored in a warm winter storage between 2009-2025. All original documentation and manuals. Two owners since new.
