

Finnmaster Husky R8 Black Edition year 2021

The Finnmaster Husky R8 is a versatile and stylish Scandinavian bowrider, combining a robust aluminium hull with excellent performance, seaworthiness, and practical functionality. The spacious layout, high freeboards, and well-protected cockpit provide comfortable and safe boating for family outings, day cruising, and commuting. One owner since new, always stored in a heated indoor facility, and professionally maintained by authorized service providers throughout her life. Presented in excellent condition and ready for immediate use.
