

STOREBRO 410 COMMANDER, 2008

The Storebro 410 Commander is a high-quality Swedish flybridge motor yacht renowned for its excellent seaworthiness, timeless design, and premium craftsmanship.

The boat has undergone several significant upgrades in recent years, including an expanded battery bank, installation of a solar panel system, a Gobiüs holding tank monitoring system, a davit with remote-controlled electric winch, and a remote-controlled stern anchor. In addition, the yacht is equipped with comprehensive navigation and comfort features, making it ideal for extended cruising.
