FINNGULF 28e – 2001

The **Finngulf 28E** is a premium Finnish performance cruiser renowned for its excellent sailing characteristics, stiff hull construction and high-quality craftsmanship. Built in 2001 and first commissioned in 2002, the Finngulf 28E offers an ideal balance of performance and ease of handling, making it equally suitable for spirited day sailing and longer cruising adventures. The practical interior accommodates up to five people overnight, while the comprehensive sail inventory makes her an attractive choice for active sailors.
