Hanse 400e (2008)

Elegant Performance Cruiser with an Exceptional Level of Equipment

This exceptionally well-maintained **Hanse 400e** offers outstanding sailing performance for both coastal cruising and extended offshore passages. Its **epoxy composite hull (e-version)** combines light weight, rigidity, and durability, delivering excellent sailing characteristics and long-term structural integrity. Carefully maintained and serviced on a regular basis, the yacht is presented in excellent condition.

A comprehensive equipment package, thoroughly documented service history, and versatile sail inventory make **Terrado II** a truly turnkey yacht—ready for her next owner to step aboard and set sail immediately.

Measurements:

- LOA: **12.10 m**
- Hull Length: **11.99 m**
- Beam: **4.08 m**
- Draft: **2.05 m**
- Air Draft: **19.5 m**
- Displacement: **8,000 kg**

Hull:

- Epoxy composite hull (e-version)
- Deep performance keel
- Hempel Hard Racing Grey antifouling

The epoxy hull offers significantly higher stiffness and lighter weight than the standard GRP version, resulting in improved sailing performance and durability.

Engine & Propulsion:

Yanmar 3JH4CE

- 40 HP (29.4 kW)

- Saildrive SD50
- Approximately 2,300 engine hours

Recent maintenance includes:

- Saildrive diaphragm replaced (2022)
- Saildrive cone clutch replaced (2024)
- Thermostat replaced (2026)
- Engine professionally serviced annually

Additional equipment:

- Retractable MAX Power bow thruster

Tanks:

- Fuel: **140 L**
- Fresh Water: **325 L**
- Holding Tank: **100 L** (upgraded from original 40 L)
