

MY ALP41 HYBRID - 2013

A rare opportunity to acquire a truly unique hybrid yacht — the only one of its kind in the world.

Designed by renowned Swedish naval architect Rolf Eliasson, this vessel represents top-tier Scandinavian craftsmanship. It has been built by leading Finnish yacht builders: Ab Scandi Yachts Oy, Nauticat Yachts Oy, and Mastervolts Finland (Powerduo Oy).

The yacht is equipped with exceptional, premium-grade systems and components, combining innovative hybrid technology with uncompromising build quality.

A singular yacht for a buyer who values exclusivity, engineering excellence, and world-class design.
