

## Marex 340 Scandinavia 2025

The **Marex 340 Scandinavia 2025** is a virtually new premium-class cruising motor yacht that combines elegant Scandinavian design, exceptional craftsmanship, and outstanding performance. Powered by **twin Volvo Penta D4-320 DPI diesel engines**, she is equipped with an extensive specification including a Garmin navigation package, lithium battery system, solar power system, and electric windlasses, making her ready for even the most demanding boater.

The efficient **450 W solar power system**, combined with the **Mastervolt lithium battery system**, provides ample power for the refrigerators, freezer, and hot water without the need for shore power throughout the summer under normal operating conditions.

### Measurements:

- **Year Model:** 2025
- **Length:** 11.49 m
- **Beam:** 3.40 m
- **Draft:** 0.97 m
- **Engines:** 2 × Volvo Penta D4-320 DPI, 320 hp each (640 hp total)
- **Hours used:** 80h

### Electrical System:

- Battery charger
- Shore power system
- Shore power cable
- 2 × engine start batteries
- Remote-controlled main battery switches

### Heating & Comfort:

- 60 L hot water heater
- 5.5 kW diesel heater
- 10 kW windscreen defroster
- Cabin curtains
- Wooden cabin flooring

### Galley:

- Gas stove
- Gas oven
- 210 L refrigerator

### Toilet & Water System:

- Electric toilet
- Holding tank with level indicator
- Shower on the swim platform

### Navigation & Handling:

- Bow thruster
- Windscreen wiper

### Entertainment:

- Fusion stereo system with speakers

### Safety:

- 2 × automatic electric bilge pumps

- Fire alarm
- Engine hour meter

**Optional Equipment:****Anchoring & Handling:**

- Electric bow windlass with remote control and stainless steel anchor
- Electric stern windlass with remote control and stainless steel anchor
- Bow platform with boarding ladder
- Upgraded variable-speed Sleiptioner bow thruster, prepared for joystick integration

**Navigation & Electronics:**

- 2 × Garmin GPSMAP 8412 XSV multifunction displays
- Garmin Grid 20 remote control
- Broce transducer
- Garmin external card reader
- Garmin Volvo Penta autopilot
- Garmin AIS
- Garmin Vesper wireless VHF
- Furuno satellite compass
- NMEA 2000 network
- Garmin Fantom 24" 4 kW radar, white, mounted on radar mast
- Rear-view camera

**Electrical System:**

- Mastervolt 2000 W / 60 A inverter charger
- Mastervolt MLI Ultra Lithium 460 Ah lithium battery
- EasyView 5 display
- Chargemaster solar charge controller
- 450 W solar power system
- The solar power system provides sufficient energy to operate the refrigerators, freezer, and hot water without shore power during the summer under normal operating conditions.
- 450 W solar panels
- Electric shore power cable reel

**Entertainment:**

- Upgraded Fusion stereo system
- Subwoofer
- Fusion Bluetooth

**Lighting:**

- 7 × LED deck lights around the side decks
- LED lighting beneath the wooden handrails, fore and aft
- Two-zone cockpit lighting dimmer

**Interior & Comfort:**

- Upgraded Alcantara upholstery (6225)
- Matte-finish dashboard
- Walnut interior
- Cockpit curtains
- Blackout curtains for cabins
- Upgraded light grey canopy fabric
- Mattress toppers for both cabins
- Mosquito screens for all ventilation hatches
- Freezer

**Exterior Equipment:**

- Large teak package
- Floating foredeck sun pad
- Exterior window covers
- Mooring package (6 fenders and fender covers)
- Fender storage compartment in the engine room
- Seawater high-pressure deck wash system at the stern

**Performance:**

- Zipwake automatic trim control system
