CR 400 DS, 2000

The CR 400 DS is a well-built Swedish sailing yacht made for comfortable cruising. Its bright-decking saloon offers wide views and a pleasant living area, with plenty of room on board for family and friends. The yacht is easy to handle with a small crew and is a good choice for both coastal sailing and longer trips.
The yacht has never run aground. It has been well maintained and kept in heated indoor winter storage for the past 20 years.

Walk-through videos of the yacht are available on request.
