

DELTA 33 COUPÉ – 2022

The modern and well-equipped Fin Delta 33 Coupé combines excellent handling, stylish Scandinavian design and comfort suitable for year-round use. She is powered by a Volvo Penta D6-440 / DP-I engine with only approx. 254 engine hours and features a comprehensive Garmin / Volvo Penta Glass Cockpit navigation system.

The boat has been stored indoors at a boatyard every winter since new and comes with a full service history. In 2026, the boat has also received CZone upgrades, an Eberspächer remote start system and a black water pump.

A stylish, exceptionally well-equipped and meticulously maintained Fin Delta 33 Coupé, ready for new adventures on the water. Full service history.
