

Hallberg-Rassy 37 year 2009

A beautifully maintained Hallberg-Rassy 37, one of the most respected bluewater cruising yachts ever built. Designed by Germán Frers, she combines excellent offshore performance, superb seaworthiness, and the renowned craftsmanship and build quality of Hallberg-Rassy.

The secure center cockpit, well-protected deck layout, and spacious teak interior make her an ideal yacht for both coastal cruising and extended offshore passages. Featuring a comfortable owner's cabin aft, a generous forward cabin, and a bright saloon, she offers exceptional comfort for cruising couples and families alike.

Well-balanced under sail and easy to handle short-handed, the Hallberg-Rassy 37 is highly regarded for her safe and predictable sailing characteristics in all conditions. Built for serious cruising and long-distance passages, she provides the perfect combination of comfort, safety, and performance.

One owner since new. She has always been stored in a heated indoor facility during the winter months and maintained to a very high standard by qualified marine professionals and authorized service providers. Her excellent overall condition reflects the exceptional care and attention she has received throughout her life. A rare opportunity to acquire a timeless Scandinavian cruising yacht with outstanding pedigree, ready for her next adventures.
