

NAJAD 331 YEAR 2000

This 2000 Najad 331 is presented in exceptional condition, reflecting careful ownership and consistent maintenance throughout her life. Regular servicing and thoughtful upgrades have preserved the quality, reliability and craftsmanship for which Najad yachts are renowned.

The yacht is clean, dry and welcoming throughout. Her beautifully preserved mahogany interior, well-maintained technical systems and immaculate overall presentation clearly demonstrate a high standard of care.

Examples of the Najad 331 in this condition are becoming increasingly difficult to find. Ready for immediate cruising, she offers an outstanding opportunity to acquire a classic Swedish cruising yacht that combines proven offshore capability with timeless elegance and lasting value.
