

Nord Star 24 Patrol, 2004

The Nord Star 24 Patrol is a versatile and high-quality motorboat built by the Finnish company Linex-Boat Oy. Nord Star boats are known for their durable construction and excellent performance, making this model a true classic for island commuting.

This boat has had the same owner for 18 years, has been well cared for, and has undergone annual maintenance. BT Satamapalvelut has just completed a spring service with expertise and attention to detail. With comfortable handling, a walkaround deck, and a fuel-efficient and reliable engine, this model has remained a popular choice. At cruising speed, fuel consumption is approximately one liter per nautical mile. Comprehensive maintenance has been carried out between 2021 and 2023: the turbo, injectors, bellows, starter, drive plate bearing, drive unit bearing, alternator, and crankshaft seal have all been replaced. The boat features a spacious cabin that can accommodate comfortably two persons. Amenities include a toilet, refrigerator, and stove. The removable table allows for comfortable dining on board. This fully serviced and ready-to-go boat is waiting for new springtime archipelago adventures in a warm facility!
