

Oxelösund 24, 1963

Handcrafted by renowned Swedish boatbuilder Sven Söderkvist, this beautifully restored 1963 Oxelösund 24 combines timeless Scandinavian craftsmanship with modern reliability.

Fully renovated in 2024, she is powered by a brand new Yanmar 4JHCR110 diesel engine and equipped with premium navigation, heating and onboard comfort systems.

Featuring a new teak deck, upgraded interior finishes and extensive technical improvements, this classic wooden boat is ready to be enjoyed immediately for coastal cruising or as a distinctive collector's vessel. Trailer included!
