

SARGO 31 YEAR 2019

A beautiful and exceptionally well-kept 2019 Sargo 31 with twin engines, presented in truly outstanding, near-new condition throughout. Renowned for its seaworthiness and high-quality Finnish construction, the boat offers excellent performance, safety, and easy maneuverability thanks to its practical center cockpit design. She has been professionally maintained, well equipped, and always stored in a warm indoor facility during winters, with all servicing carried out by an authorized Volvo Penta dealer. Owned by only two careful owners since new, this is a rare opportunity to acquire a Sargo 31 in truly immaculate condition, ready for immediate use.
