

STOREBRO ROYAL CRUISER 34 BISCAY YEAR 1983

A beautifully restored and exceptionally well-built Storebro Royal Cruiser 34 Biscay, this classic motorboat stands out proudly from the sea of modern vessels with its timeless design, solid construction, and elegant lines. Renowned for Swedish craftsmanship and seaworthiness, the Biscay model combines tradition, luxury, and functionality.

This vessel has been professionally restored, documented and meticulously maintained between 2008 and 2024, respecting its original style while integrating modern upgrades. The electrical systems and navigation electronics have been completely modernized, ensuring safety, reliability, and ease of use on today's waters.

In 2018, both engines were removed and fully rebuilt, offering excellent performance and dependable cruising power. The boat is powered by twin Volvo Penta diesel engines, known for their durability and smooth operation.

She has a spacious and well-appointed interior, with high-quality mahogany finishes. She accommodates up to six people comfortably in two cabins and a convertible saloon. She has a fully equipped galley, separate WC with marine vacuum toilet and sink. She has a large, sheltered cockpit with a back door and glass wall for extended season use.

This Storebro Biscay has been owned by the same family since 2007, reflecting a long history of careful ownership and investment.

A rare opportunity to own a true Scandinavian classic, ideal for coastal cruising, weekend getaways, or summer adventures in style and comfort.

Location:

Helsinki, Finland

Measurements:

Length: 10,34m
