UTÖ 31 (1997)

Utö 31 is a well-built and practical Finnish motorboat from 1997, powered by a reliable 200 hp Volvo Penta TAMD 41P diesel engine. Her classic mahogany cabin, teak deck and solid GRP hull give the boat a timeless and traditional character.

This particular Utö 31 is a rare version of the model, featuring a notably large open aft deck. The spacious aft area provides plenty of room for passengers and makes the boat especially well suited for leisure cruising, day trips and enjoying time on the water with family and friends.

Vessel Details

Make / Model: Utö 31
Hull Number: 27
Year Built: 1997

Overall Length: 9.50 m
Maximum Beam: 3.30 m
Displacement: approx. 4.5 tonnes
Maximum Number of Persons: 12
Speed: approx. 20 knots

Construction Materials:

- Hull: GRP (fibreglass)
- Cabin: Mahogany
- Deck: Teak

Engine

Make / Model: Volvo Penta TAMD 41P
Model Year: 1996
Type: Inboard diesel engine
Power: 200 hp
