

Yamarin 88 DC (2022)

The Yamarin 88 DC is a stylish and versatile day cruiser that combines performance, comfort, and premium Nordic design. With its powerful outboard engine, spacious cockpit, and a well-equipped cabin that sleeps up to four people, it's perfect for both day trips and weekend adventures. The 88 DC offers excellent handling, smart layout solutions, and high-quality materials throughout — making it one of the most refined boats in its class.

The boat has been stored in a warm hall during winters, and all maintenance has been performed and documented.

Fishfinder installed in 2025
