

Grandezza 28 OC 2021

The Finnish-built Grandezza 28 OC combines an open, sociable cockpit with the shelter needed for changing conditions. Two sofas and a dining table create a practical setting for time on the water, while the integrated sunbed offers a separate place to relax. The long roof and aft canopy make it easy to adapt the cockpit from an open-air space to a more protected cabin. Below deck, the open-plan interior and large ventilating hull windows provide a bright and functional setting for overnight stays.

Walk-through videos of the yacht are available on request.

Measurements:

Length: 8.78 m
Beam: 2.85 m
Draught: 1.10 m at maximum load
Dry weight: 3,100 kg
Fuel tank: 214 L
Fresh water tank: 40 L
Holding tank: approx. 47 L
Water heater: 22 L
Berths: 4 + 2

All the equipment listed here are working and will be verified at the time of handover to the new owner.

Engine:

Volvo Penta D4, 270 hp
Engine running hours: approx. 190 h
Service history: serviced twice by Astrum and subsequently by Turun Venevarasto; service invoices available. Rubber bellows replaced in 2025
