Veneentekijäntie 6, 00210 Helsinki

PRINCESS P40, 2003

This Princess P40 is a spacious and capable motor yacht combining Princess' renowned build quality with comfortable accommodation and excellent cruising characteristics. She is powered by twin Volvo Penta TAMD63 diesel engines, producing 370 hp each, and features a bow thruster renewed in 2022.
The yacht has been extensively upgraded during 2021–2022, with a comprehensive package of modern navigation, communication and monitoring equipment. The electronics include multiple Raymarine Axiom multifunction displays, a Quantum 2 Doppler radar, Yacht Controller and a range of Glomex and CamBoat monitoring systems. The electrical system has also been updated with new batteries and a total of 700 W of solar panels.

The interior furniture was renewed in 2021–2022, while the original curtains have been replaced with practical Venetian and vertical blinds. The upper helm station features a newly installed teak deck and table, while the bimini was renewed in 2021.

Overall, this Princess P40 offers an excellent combination of comfort, functionality and extensive recent upgrades. With her comprehensive equipment list and twin diesel installation, she is well suited for both relaxed weekends on the water and longer cruising adventures.

Location: Imatra, Finland

MEASUREMENTS:

- Length: 13.15 m
- Beam: 4.20 m
- Draft: 1.10 m
