

AXOPAR 37 XC CROSS CABIN – 2018

Axopar 37 XC Cross Cabin - a versatile Scandinavian day cruiser that combines sharp performance, a protected cabin and genuine overnight capability for the Baltic Sea.

Built by the Finnish company Axopar Boats, the XC Cross Cabin offers an enclosed, heated helm area with sliding doors, a wide open aft deck and the Day Cruiser aft cabin package for extra sleeping space.

The boat is powered by twin Mercury L6 300 hp outboards with only ca 550 engine hours, and is equipped with a full Garmin navigation suite including radar and sonar, bow thruster, Webasto heater and a premium Fusion entertainment system.

Stored indoors every winter, fully serviced in winter 2025/2026 and in excellent condition. VAT paid.
