

BENETEAU OCEANIS CLIPPER 42CC – 2005

The Beneteau Oceanis Clipper 42CC is a spacious and comfortable centre-cockpit cruising yacht designed by Groupe Finot. With her large aft owner's cabin, protected centre cockpit and practical cruising layout, she is particularly well suited for comfortable family cruising and extended stays onboard.

This example has a dark blue hull with gold stripes, teak deck and blue canvas work. She has been systematically maintained and stored ashore in a dry, heated indoor hall during the winters. The yacht is very well equipped for both coastal and longer-distance cruising.
