Veneentekijäntie 6, 00210 Helsinki

Cathay Yachts 39 “Angelika” / On-Off

Cathay Yachts 39 “Angelika” is a one-of-a-kind, exceptionally well-equipped motor yacht that combines the timeless charm of classic wooden details with modern composite construction and excellent cruising capabilities. This unique vessel remains with her original owner, who personally built her.

Powered by a Volvo Penta D6-370 diesel engine, Angelika delivers impressive performance and fuel-efficient cruising. Her extensive equipment has been carefully selected for comfortable and self-sufficient life on board, including a traditional Finnish sauna, Webasto heating and air conditioning, a generator, solar panels, and a comprehensive Raymarine navigation system.

Angelika has been carefully maintained and has undergone significant upgrades over the years. In 2026, the hull was repainted, the generator was replaced, and the engine's turbocharger, starter motor, and injectors were renewed. The sterndrive and propeller were replaced in 2023, and the engine block has also been replaced.

Angelika has proven her cruising capabilities on extensive voyages. Her impressive travel history stretches from the North Sea across the Bay of Biscay to the Mediterranean, where she spent two years. With three cabins, comfortable living spaces, and an extensive range of equipment, she offers excellent possibilities for everything from relaxing weekend getaways to extended adventures at sea.

Angelika represents a rare opportunity to own a distinctive, carefully built, and exceptionally well-equipped cruising motor yacht, with an impressive history behind her and countless new adventures still ahead.

LOCATION: Helsinki, Finland
