

## **YAMARIN 65 DC YEAR 2013**

The Yamarin 65 DC is a high-quality and versatile Finnish-built daycruiser, combining excellent handling characteristics, practical design and comfortable accommodation. She is equally well suited for day trips, weekend cruising and summer adventures with family and friends. Yamarin is well known for its seaworthy hull designs, offering stable, safe and enjoyable handling even in varying sea conditions. The protective windscreen and well-designed cockpit provide a comfortable environment for both the driver and passengers. The spacious cockpit offers comfortable seating and an inviting area for relaxing and socialising. The forward cabin provides overnight accommodation for two, making the boat a practical choice for longer weekend trips.

The Yamarin 65 DC represents an excellent combination of Finnish boatbuilding expertise, functionality and enjoyable performance. A great choice for anyone looking for a quality, easy-to-handle and versatile daycruiser. One owner and the boat has been stored inside during the winters.
