AQUADOR 35 ST | YEAR 2013 | ESPOO, FINLAND

OVERVIEW

The Aquador 35 ST is a Finnish-built motor yacht that combines Scandinavian design, practical accommodation, and a comfortable cruising experience. Its spacious cockpit, featuring two large opening roof hatches, provides a versatile setting for boating throughout the entire season.

This vessel is equipped with two Volvo Penta D3-220 diesel engines. A joystick control system, a bow thruster, and a reversing camera make handling and docking the boat easier. The vessel has undergone annual servicing at an authorized Volvo Penta service center.

Location: Espoo, Finland
